February 2012

5th Grade

...a note from the teacher...

Dear Parents and Families,

This month we started Theme 4 of our Reading Program Person to Person. In Math, we will take the Unit 6 test on geometry and Unit 7 on integers. We will also review and take a Trimester 2 Math test that tests skills learned so far this academic year.

We will have a small Valentine's Day party on the 14th. Students can bring valentines to pass out to friends and a treat if they want. Have a great month of February.

A PEEK AT THE MONTH:

Reading Standards:

We started Theme 4 Person to Person where we will be reading stories that show interrelationships between characters.

Writing Standards:

Students have just completed a persuasive essay using the 5 steps of the writing process. Theme 4 has us focusing on writing narratives.

Math Standards:

We are completing our unit on Measurement and Geometry and will then review and take the unit test and the trimester Two test. Then we start Unit 7 which deals with integers.

Social Studies Standards:

We are starting Unit 5 Causes of the American Revolution.

Science Standards

We continue to study Earth Science. We will look at our weather patterns and move on to the solar system.
